WHAT IS THE HERITAGE CLUB?

The Heritage Club is a special group of friends who believe in the values and purpose of the Y and want to contribute to the impact the Y makes. It recognizes those families and individuals who make an outright gift or a planned gift to the YMCA Endowment Fund. By making this commitment, members of the Heritage Club ensure that the Y continues to make a positive impact on youth development, encourage healthy living, and foster social responsibility for future generations.

We invite you to become a member of the YMCA Heritage Club. This commitment contributes to a secure future for the YMCA so that its programs continue to address the most urgent needs in our community for years to come.

Each gift is invested and only a portion of the investment income is used to fund YMCA programs each year.

HOW DO I BECOME A MEMBER?

Individuals who include the Greater Kingsport Family YMCA in their will, or make an outright gift to the YMCA Endowment Fund, qualify for membership in the Heritage Club.

- **Bequest**: A charitable bequest can be as simple as adding a sentence or two in your will or a codicil appended to your present will.
- **YMCA as beneficiary**: You can designate the YMCA as the beneficiary of life insurance or retirement fund.
- **Cash**: An outright gift of personal significance.
- **Securities**: Transfer your stocks to receive a tax receipt for the market value at time of transfer.
- **Life insurance**: Enables you to provide an impactful future gift at a very modest current cost.

NEXT STEPS...

We would love the opportunity to share more about setting up a legacy that will have a lasting impact on children and families in the Greater Kingsport Area. Please return this form to the YMCA or contact us.
